### **Letter of Condolence**

**It is with much sorrow that I write this letter of condolence to Mrs. Park and her family. The death of Grand Master Park is being mourned by everyone who knew him in Saskatchewan, Canada and worldwide.**

**The loss of such distinguished and remarkable Taekwon-Do diplomat, who dedicated his life to promote and establish unsurpassed high technical standards, initially as the Secretary General of ITF and lately as the President and founder of GTF, has caused much sadness causing our hearts to weep streams of tears. His legacy as a "Great Man, Leader and Teacher" will remain in our book of memories that will live forever.**

**On behalf of the Saskatchewan Global Taekwon-Do Federation (Sask GTF) I would like to express my heartfelt condolence to Mrs. Park and her family. May God be with you all.**

**Taekwon,**

**Mr. Washington Celis
